EXPERIENCE

University of Utah Health

Traffic Management Specialist, February 2023 – Present

- Manage patients', employees', and visitors' vehicles as well as assist and transport patients in emergency situations. Effectively handled parking violations and other complications.
- Provide excellent customer service and successfully communicate with customers, coworkers, and management to create a positive and effective work environment.

Gap Inc., Old Navy

Brand Associate, September 2022 – December 2022

- Worked to stock merchandise in an organized fashion according to the store's needs.
- Developed customer service skills through friendly greetings and helping customers when they had an issue. Answered phone calls and ran the front desk register efficiently to keep workflow moving and provide the highest quality service.
- Worked in a team to further the work of the company.

Davis School District

Custodian, November 2017 – August 2020

- Maintained a clean and organized workspace for teachers and students. Ensuring any supplies were stocked and well organized for the school staff.
- Conducted quality checks of the building for security and securely locked up for the night to ensure the safety of staff and students.

COMMUNITY INVOLVEMENT

LDS Religious Proselytizing Mission, Arcadia, California

Volunteer Missionary, September 2020 – August 2022

- Completed a rigorous 6 week course in the Missionary Training Center and learned to speak, read, and write fluently in Spanish.
- Participated in numerous service opportunities for the community. Including trash clean up, feeding those less fortunate, teaching English courses, and assisted community members with their individual needs.

Boy Scouts of America

Eagle Scout, August 2015

- Organized a S.T.E.M. fair for my home-town community.
- Led a team to keep the event organized. Congregated and cultivated a connection between children and families in my community.
